## Downtown Pedestrian & Bicycle Improvements – Sixth Street (53510)

### Location:

The limits are Sixth Street from Stewart to Bridger avenues.

### Project Overview:

This project is part of the efforts downtown to create a more pedestrian and bicycle friendly environment. The project includes installation of trees, widened sidewalk, curb, gutter, streetlights, intersection bulb-outs, pavers, street benches, trash receptacles and planters.

### Schedule:

The design project began in July 2014 and is currently at 70 percent design

### Status:

Updated Aug. 3, 2016

### Project Contacts:

City of Las Vegas Project Manager: Dennis Moyer (702-229-6272)
